AI-powered customer retention & conversion

Turn Every Conversation Into a Customer.

AI • Automation • CRM • Retention

More Than a CRM. More Than Automation.

One platform for leads, conversations, automation and retention.

Capture

01 — Attract

Capture leads from WhatsApp, Instagram, Facebook and more.

Engage

02 — Connect

Automate conversations with AI and simple workflows.

Convert

03 — Close

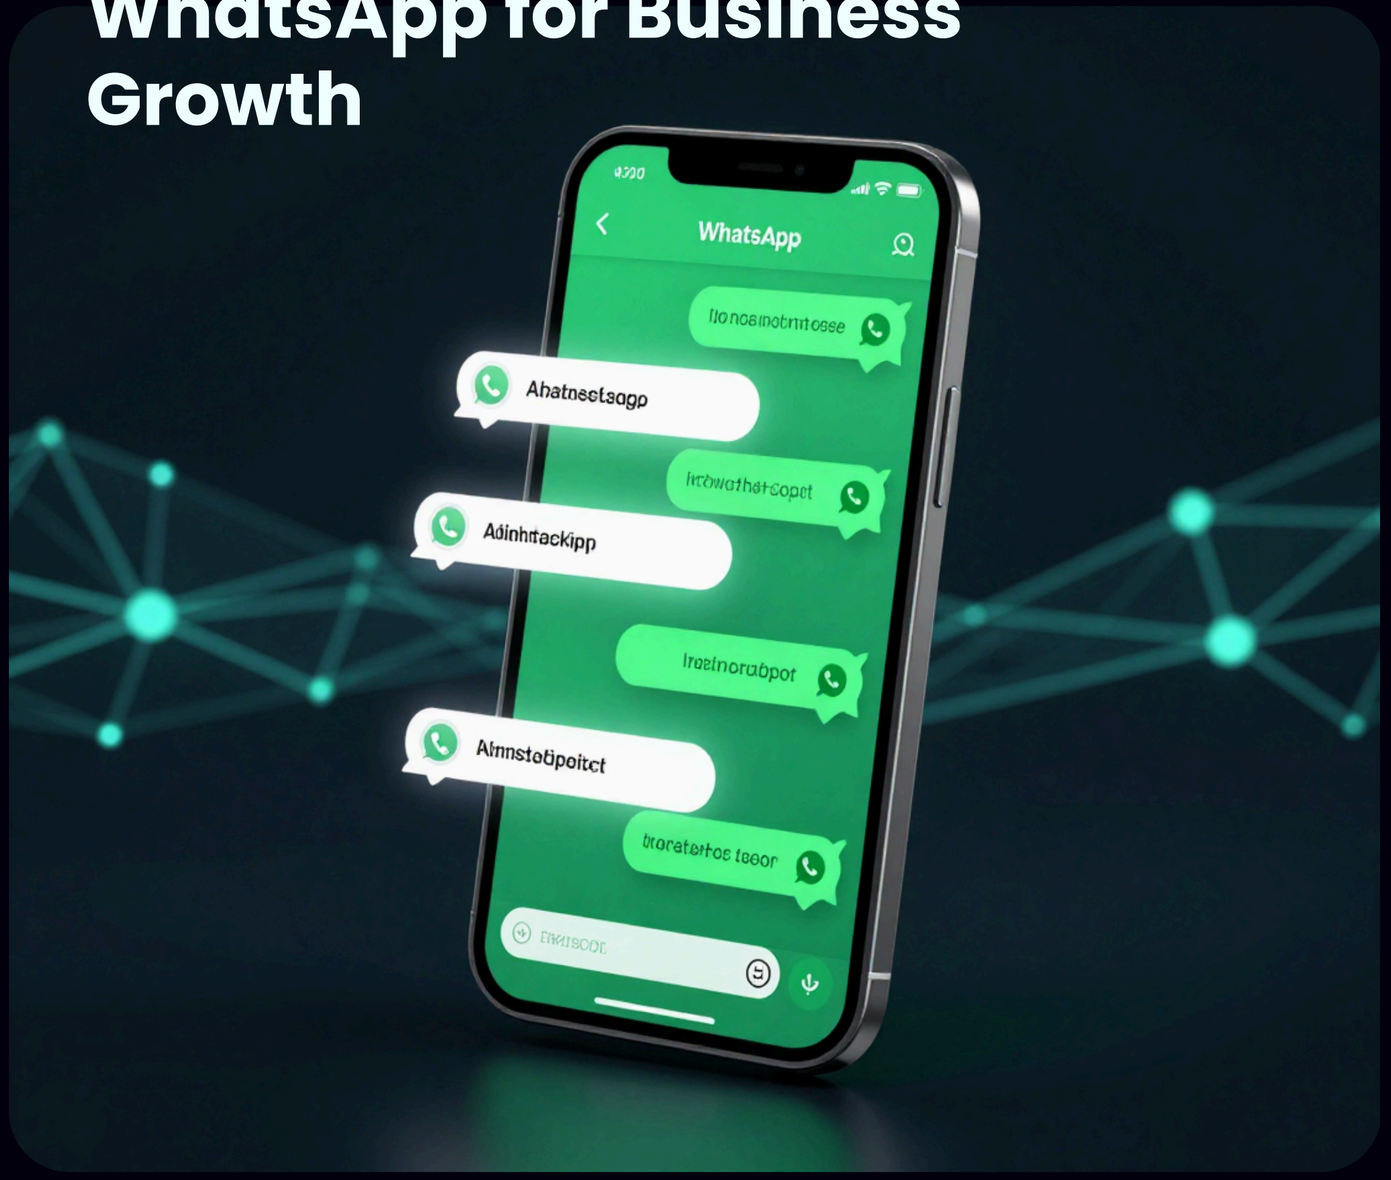

Convert leads with timely follow-ups and clear customer context.

Retain

04 — Grow

Retain customers with re-engagement and personalized campaigns.

WhatsApp for Business Growth

Broadcasting & Chat Automation

Broadcasts and 24/7 chat automation for business growth.

No-Code Flow Builder & AI Chat

Build no-code flows. Let AI answer, qualify and guide customers.

Meta Ecosystem Integration

Connect WhatsApp with Meta channels and sync leads to CRM.

Turn Social Conversation s Into Sales

Instagram & Facebook leads in one place.

1. Comment-to-DM Automation

Automatically reply to post comments with personalized DMs. Capture leads from Instagram & Facebook without lifting a finger — AI handles the conversation.

1. AI Replies & CRM Capture

AI replies qualify leads and save every conversation in CRM.

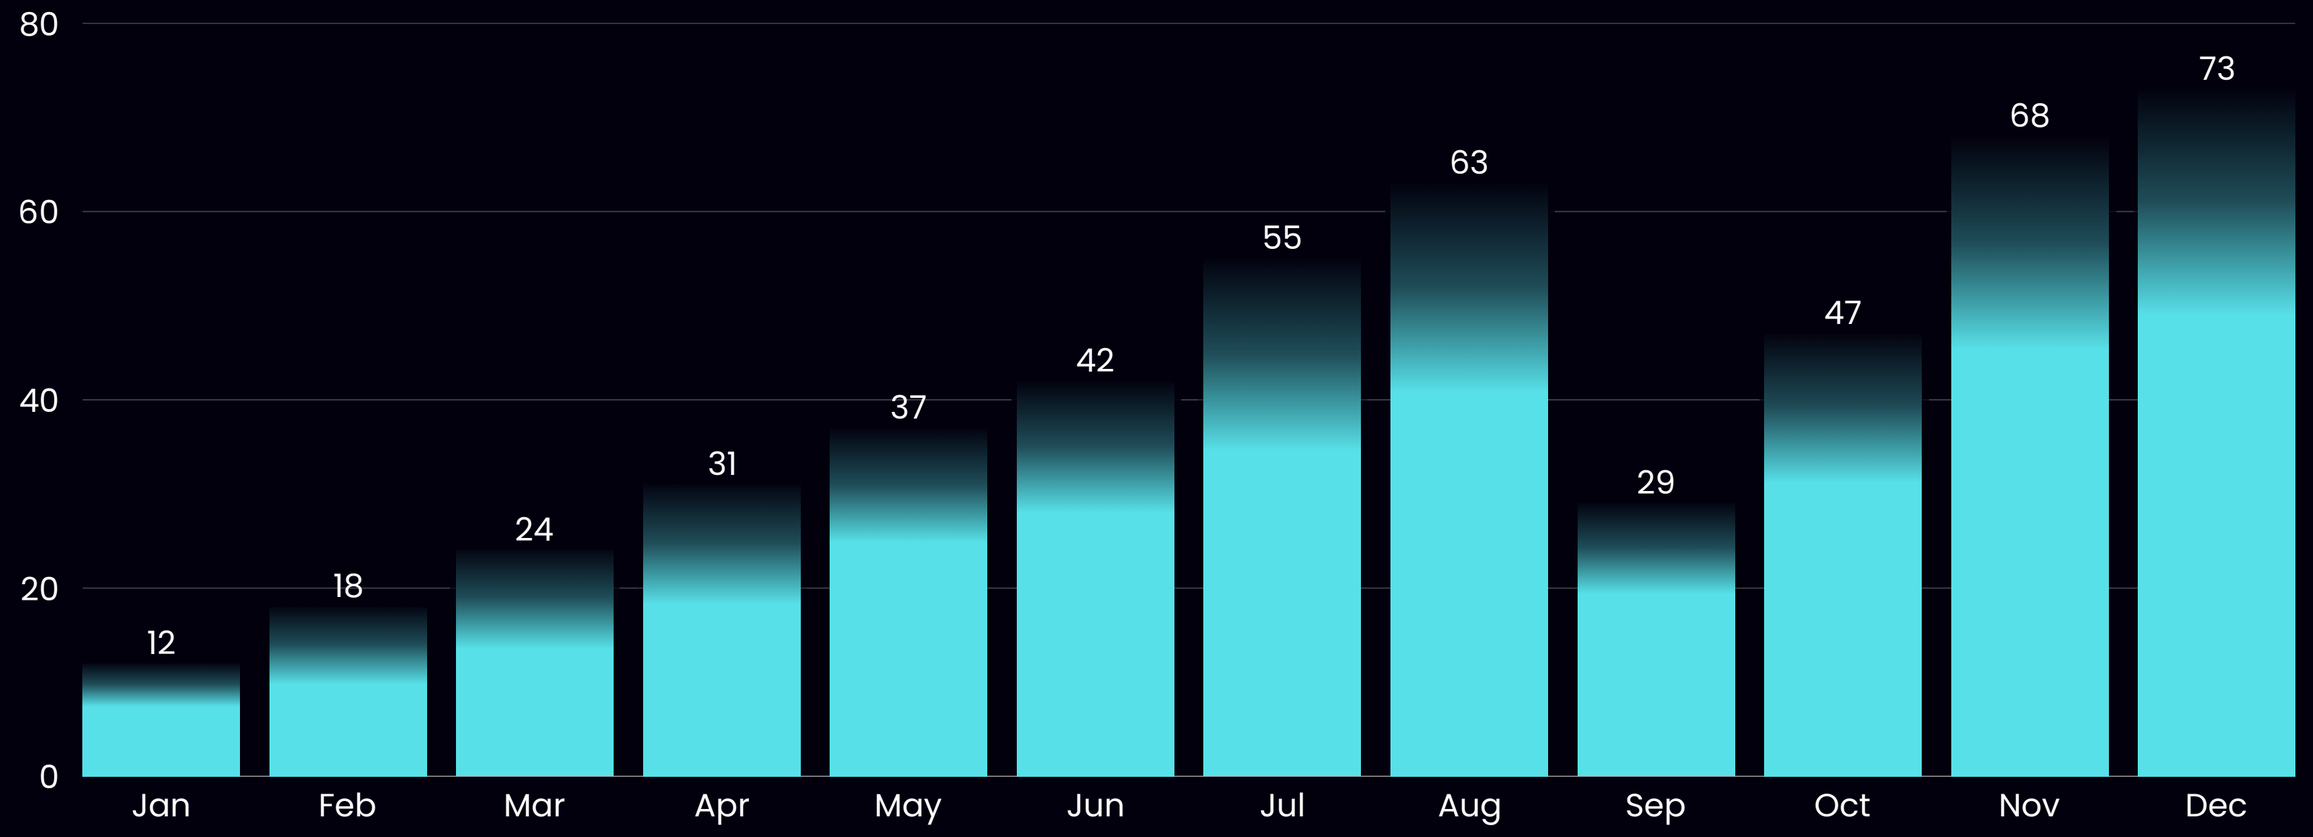

Every Lead. One CRM.
